Good morning, Mills and Janice!

During our site visit yesterday from Thomas McGill with the SC Office of Regulatory Staff, he explained that page 3 of our application needed to be filled out. He said they like to have the summary on that page even if we provide the back up paperwork to support it (which we did).

See page 3/Financial Statement of the application attached. Is it acceptable that I submit it this way or do I need to include the entire application again?

Thank you!
